Citizens of some countries, including citizens of Russia, can obtain a visa while crossing the border of Georgia at official checkpoints,

including all airports of Georgia, but excluding checkpoint Larsi, between Vladikavkaz (North Osetia) and Stephantsminda (former Kazbegi, Georgia).

Travel information: Batumi can be reached both from **Tbilisi** and from **Istanbul** by airplane (daily flights in Summer). The airport is very close to the city. Batumi is about 350 km west from Tbilisi, about 6 hours by train, bus, or car.
