Visa information: Visa affair is the easiest part of the travel. Citizens of many countries do not need an entrance visa for Georgia (citizens of EU countries, USA, Japan, Israel, Turkey, Canada, Armenia, Azerbaijan, Moldova, Ukraine, etc.). Citizens of some countries, including citizens of Russia, can obtain a visa while crossing the border of Georgia at official checkpoints, including all airports of Georgia.

Travel information: Batumi can be reached both from **Tbilisi** and from **Istanbul** by airplane (daily flights in Summer), also from some other airports in Europe (see the conference WEB). The airport is very close to the city. Batumi is about 350 km west from Tbilisi, about 6 hours by train, bus, or car.

Accommodation: Information about hotel accommodation in Batumi can be found at the conference WEB page. If you need our help, you have to send us your choice and exact dates of arrival and departure before **July 1**. We will negotiate with hotel administrations and mail you the Invoice until **July 15**, which you should pay by a bank transfer prior **July 30** to the hotel administration or to Georgian mathematical Union.

Social events: a wide range of social programs including city tours and visits to historical places will be available.

Weather (and water!) in September in Batumi is still warm and one can enjoy a “velvet season” there.

IMPORTANT DATES:

June 15, 2012: Deadline for applications to organize a section

July 1, 2012: Deadline for submission of an abstract

July 15, 2012: Notification of acceptance of abstract
